:30 Radio Script

:30 Radio Script Every year more than 120 walkers and 50 cyclists are hit by cars in Oklahoma City. We all need to work together to keep our roads safe. Here are three tips to avoid collisions: don't block crosswalks, give cyclists three feet of clearance when passing and never text and drive. Watch for Me OK is a campaign to promote safe walking, cycling and driving in Central Oklahoma. Go to WatchForMeOK.org for details.
