

WATCH FOR ME OK

The Golden Rule: Always look both ways when crossing the street and be aware of cars!

We must learn share the road and be safe when walking and biking!

Wear something bright at night so cars can see you.

Always use the sidewalk if there is one. If you have to walk in the street, walk facing cars so you can see them coming.

Protect your noggin!
Always wear a helmet when riding your bike.

Ride as close to the right curb or edge of the road as is safely possible.

If you ride on the sidewalk, dismount to walk your bike at the crosswalk.

Obey all traffic signs, including stop signs and traffic lights. Ride on the right side of the road, like cars do.

Only cross at crosswalks - both when walking and riding your bike.

Approach all streets and intersections like drivers can't see you. Act like they don't know you're there.

Visit www.watchformeok.org for more bike and walking safety info!

Watch for Me OK is a public awareness campaign from The Association of Central Oklahoma Governments (ACOG), the City of Oklahoma City, and The Oklahoma Highway Safety Office
